A Freeman Company

Full-service comes full circle

Encore – a full-service production company prepared to be your partner from concept to closing curtain and the resources to make your event one to remember.

Specializing in the creation, production, and staging of result-oriented presentations and events, we are a unique gathering of customer-driven, multitalented, business communication and entertainment professionals.

By combining our creative expertise with impressive capabilities for audio/visual and staging support, Encore possesses the scope of services to produce truly "turnkey" productions. No matter what your vision, Encore has the resources and capabilities to exceed your expectations.
