BARBIE WORLD

In celebration of the 50th birthday of Mattel's pint-sized wonder, the **Palms Casino Resort** in Las Vegas has unveiled a limited-run **Barbie Suite** adorned with custom décor, located in the 40-story **Fantasy Tower**. Undertaking the task of designing this 2,350-square-foot, one-of-a-kind accommodation is renowned "Happy Chic" designer **Jonathan Adler** who decked the suite in skirted and corseted "dress" chairs, exclusive artwork and a unique sunburst mirror fashioned out of 65 iconic 1959 Barbie dolls donning the signature black-and-white bathing suit. Perfect for parties, the suite can accommodate up to 50 people and features a full bar, plasma TVs, superior sound system and a two-way fireplace (\$4,000 a night).
