

CIGAR PAIRINGS

Mount Gay XO | 70

Sit back and savor a Cohiba Blue Tube carefully paired with Mount Gay XO, a blend of rums matured between 5 and 17 years in 3 different types of casks.

Best served neat, XO delivers flavors of salted caramel, baked fig, clove, and dark chocolate.

Glendronach Scotch Flight | 80

A pairing of Glendronach 12Yr, 15Yr, and 18Yr along with our suggestion Padron 1964 Anniversario.

You'll get chocolate and oak notes from the cigar that will pair beautifully with the sherry, dried fruit, and spice from the scotch.
