

The image shows the front cover of an antique book. The cover is made of dark brown, heavily worn leather with a cracked and scuffed texture. It features an ornate, embossed border with intricate floral and scrollwork designs in the corners and along the edges. The spine, visible on the left, has four raised bands. The title 'THE HAUNTED INN' is prominently displayed in the center in a large, stylized, gothic font. The letters are a golden-brown color and have a dripping, blood-like effect at the bottom of each character. Below the title, there is a small decorative flourish, followed by the text 'COME FOR A DRINK. STAY FOR ETERNITY.' in a smaller, plain, serif font. Another decorative flourish is positioned below this text. The corners of the cover are reinforced with brass plates, each secured with a small screw.
